

Warzone Atlanta Model Policy

Playing exciting, atmospheric games with painted miniatures is a big part of our events at Warzone: Atlanta. With this in mind, all miniatures in your collection must be fully assembled, painted and based. Each model must completely and accurately represent its entry on your army roster (including all weapons and equipment).

Furthermore, you need to contact us to let us know about any conversions or alternative models you would like to use, and provide us with photos of the models in question. Don't worry – we fully appreciate spectacular modelling skills, but we just want to make sure everything is super clear for your opponent so that no confusion can arise during games.
